Quality Circle in Education for Students' Personality Development, Nepal

Congratulation Message

"Golden Times"

On behalf of QUEST-Nepal (Quality Circles in Education for Students' Personality Development, Nepal), it gives me great pleasure and honor to send you our greetings and best wishes for the publication of this issue of "Golden Times" - a regular school bulletin of Golden Gate English Secondary School which is going to be published on the auspicious occasion of Vijaya Dashami & Shuva Deepawali - 2069.

Thank you very much for inviting me to write an article for publication on this bulletin on Students' Quality Circles (SQC). I am really sorry that I am unable to write an article to you and missed the opportunity to share my thought with your students and teachers through your wonderful bulletin.

As we all know in today's world, attention to quality has been extending from goods and services to society, environment and human life. Promoting quality can make our living environment better while improving the happiness of people of our societies. Shear competitions among young students are killing the quality thinking and quality behaving. Quality mindset is the keyword for quality human life and it demands collaborative attitude, or in simple terms creating, learning and sharing attitudes without having any geographical or any other types of barriers. Within this context, Students burnish their quality mindset through Students' Quality Circles (SQC) through Identifying, analyzing and solving their psychosocial problems in a team. This exercise by young students and next generations as "Future — makers" is of utmost importance which will have great impact on their future social and economical activities when they take responsibility for their contribution to make a better living environment for themselves and for others.

I am sure that the dynamic and committed leadership of Mr. Singa Lama will promote SQC at the Golden Gate English Secondary School and the school will certainly pave the way leading to better future and exploring the means which improve the quality of life in a more prosperous and peaceful world.

I wish you, your teachers and students a wonderful Dasain and happy Tihar, 2069.

Sincerely yours,

Prof. Dinesh P. Chapagain Chairman, QUEST-Nepal Director General-Nepal, WCTQEE September 29, 2012

विशेष वर्षको रूपमा शैक्षिक सत्र १०६८

शैक्षिक सत्र २०६९ लाई गोल्डेन गेटले एक विशेष वर्षको रुपमा लिएको छ जसका निम्न ३ प्रमुख कारणहरु छन्:

पहिलोः यसै वर्षबाट विद्यालयले QUEST - Nepal सँगको सम्बन्धनमा STUDENTS' QUALITY CIRCLE को विधिवत सुरुवात गर-चो।

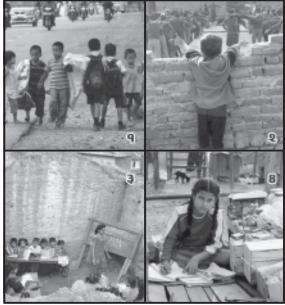

दोस्रोः यसै वर्षबाट विकल्प ज्ञान तथा विकास केन्द्र एवं आरम्भ - नेपालसँगको सहकार्यमा CHILDREN'S PEACE COUNCIL नामक परिषद् गठन गरी बालबालिकाहरुको राष्ट्रिय सञ्जालमा विद्यालयलाई जोड्ने कार्यको थालनी गरियो । तेस्रोः पूर्व प्रा.वि. तहको पढाइमा मन्टेसरी पद्धतीमा

तसर्थ, प्रस्तुत बुलेटिनमा पनि यिनै नयाँ विषयहरु र तिनका गतिविधिहरुलाई विशेष प्राथमिकता दिइएको व्यहोरा अवगत गराइन्छ । साथमा, आसन्न विजया दशमी तथा शुभदिपावलीको उपलक्ष्यमा सम्पूर्ण अभिभावक, शिक्षक-कर्मचारी, विद्यार्थी तथा सम्पूर्ण नेपालीहरुमा गोल्डेज टाइम्स परिवारको तर्फबाट हार्दिक मङ्गलमय शुभकामना टकाचाउन चाहन्छौं।

आधारित कक्षाहरु सञ्चालन प्रारम्भ गरियो।

धन्यवाद ।

धन्यवाद यो जीन्दगीको लागि

भाईबहिनी हो, हामीले जिन्दगीमा यो भएन, त्यो भएन वा यो चाहियो, त्यो चाहियो भन्नुभन्दा अगाडि माथिका तस्विरहरुलाई एक चोटि नियालौं त।

पहिलो तस्विरले तपाइँहरूजस्तै विद्यालय जाने उमेर का अभागी साथीहरूलाई देखाउँछ जो यति सानै उमेरमा बोरा च्यापी सडकमा हिंड्न बाध्य छन्, सायद उनीहरूका घरपरिवार पनि छैनन् । त्यस्तै दोस्रो तस्विरले विद्यालय जान नपाएका तर सिक्ने प्रबल चाहना भएको एउटा दःखी साथीलाई देखाउँछ, त्यसैले त ऊ विद्यालय कम्पाउण्ड बाहिरैबाट पनि सिक्न खोजिरहेको छ ।

तेस्रो तस्विरले नेपालकै एक गाउँमा हुरीले छानो उडाएपछि खुला आकाशमुनि पढ्न बाध्य विद्यार्थीहरुलाई देखाउँदछ भने चौथो तस्विरले जसोतसो विद्यालय जान पाएर पनि एउटा रुखमुनि नाडलो पसलमा व्यापारसमेत गरी पढ्न बाध्य एक जना बालिकालाई देखाउँदछ।

भाइबहिनीहरु, सायद तपाईहरुमध्ये धेरैको अवस्था तिस्वरको भन्दा अवश्य पिन राम्रो होला तर के तपाईले यसको पूर्ण सदुपयोग गर्नुभएको छ ? तपाई कित भाग्यमानी रहेछु भन्ने चालपाउनु भएको छ ? आज यही देशमा लाखौँ बालबालिकाहरु "विद्यालय जान पाऊँ" भनी बाल अधिकारको लागि संघर्ष गरि रहँदा कतै हामीलाई भने त्यही कुरा बोभ्र त भएको छैन ?

तसर्थ आउनुहोस्, हृदयबाट सबैको सम्मान गरौं र यो सुन्दर जिन्दगीका लागि मातापिता एवं सृष्टिकर्ता प्रति धन्यवाद ज्ञापन गरी कर्तव्य पालनामा समर्पित होऔं किनकि जिन्दगीको सफलता हामीले गर्ने मेहनतमा निहित हुन्छ न कि हामी पाउने सुविधामा।

A VISIT TO MATSYANARAYAN TEMPLE Dipika Kapali (FIRST) Class: 10

Each religious festival is different from the other not only in the way it is celebrated but also in term of people's belief in the story related with such celebration. People celebrate festival and visit Melas with certain motives. Matsyanarayan Mela is also one of those Melas which takes place every two and half years during Purushottam month. I had heard a lot about that meal but had not gone there. So, I insisted my parents on visiting that place. Some weeks ago, I, along with my family members, went to Matsya Gaon to worship Matsyanarayan God, the first avatar of Narayan according to Hindu myth.

We reached there in 2 hours. After reaching there, I found that it is more beautiful than I thought. The greenery view in the surrounding makes it more beautiful. We stayed on queue for worship. It was so long queue but we reached to the temple very soon. It is not so architecturally elaborate temple colored in white and surrounded by pond from all sides. There are 14 stone taps surrounding the temple which add to natural beauty of the place. After worshipping, we went to visit its surrounding. We went above the hills from where we saw mesmerizing greenery view and the valley. We stayed there for few moment and returned to the bus park. After that, we reached home. That day, I was so tired of roaming but also I had smile on my face thinking about the beautiful scenery of that place. I will never forget that day and the place and wish to go there again and again.

DASHAIN (SECOND)

Saru Kumpakha
Class: 10

We have many festivals in our country. Among them Dashain is one of the important festivals in our country. It is also called "Durga Puja" as Durga goddess is worshipped in this festival. This festival is observed in the month of Ashwin / Kartik. It is celebrated for ten days. It is a festival of Hindus only. This festival had its origin in earliest days.

Goddess Durga is worshipped in this festival. She is worshipped for nine days. This period is called Navaratri (nine nights). The last two days are considered more important than preceeding days. During Navaratri, people worship image of Durga at home. They also visit temples of goddess Durga. It is believed that people should wear different clothes during Navaratri. Goddess Durga is considered as Shakti (power). She signifies the victory of good over evil. There is a legend that she killed Manisasur, the wicked demon. People worship the goddess by sacrificing bird and animals and make other offers. More on page 7

AN UNFORGETABLE MOMENT Menuka Karmacharya (THIRD) Class: 9

It was dark everywhere. I was in a small room. With curiosity I opened the door. Suddenly, light flashed on my eyes. I heard cries of people. With fear, I stepped outside. I was sweating and my whole body was shaking. The scene outside was dreadful. People were running here to there. Blood and pain was everywhere. Foul smell filled the air. I was scared and started looking for my parents. I shouted 'Mom where are you? Dad where are you?' The crowd pushed me and I started crying. Suddenly a bullet pierced me and that was when I wake up from this fearful dream.

..... continued from page 6

During Navaratri, people induce in merry making and feasting. They clean their houses and put on new clothes. Many people eat meat and other delicious food in this festival. The tenth day is called "Vijaya Dashami". It is said that the Lord Ram got victory over his enemy on this day. On this festival, people wear new clothes and seek blessings from their elders. The elders put tika on their foreheads and jamara on their heads and bless them.

Dashain is one of the enjoyable festival. It is happy time for those who can spend. During this festival people have feast in their own house and their relatives' house. It is a time of showing good- will and bestowing blessing. People forget their ill-feeling and quarrel and welcome each other. It is a time for enjoying. It is a time when people share joy and sorrow with each other Hence, Dashain is a festival which bring people close and makes co-operation between each other.

STATUS OF WOMEN IN NEPAL (FOURTH) Nilam Awal (Class: 9

Men and women are like two wheels of a cart. The cart cannot move properly if one of the wheels possess intricate weakness. Human society cannot move ahead unless both men and women are equally and amply capable to complete their duties and responsibilities. All the women are not equally treated.

The academic status of Nepalese women is poor. More than 50% of people of Nepal are illiterate. But knowing the importance of education for women, girls are also being sent to schools for higher education. The number of educated women is rapidly increasing. Girls after marriage are compelled to do their household work. Only few of them go to offices, go to perform their job. Most of the girls are not getting their rights after marriage. Most of the girls in our society depends upon males for running the house. Because of patriarchy, every decision are taken by males at home. Females are compelled to accept their decision. Many newly married brides are badly tortured by their husbands and other senior family members and some of them are murdered mercilessly for the evils of dowry.

The major problems of Nepalese women are illiteracy and ignorance which has created obstacle to fight against injustice and male dominated society. Women status of our country is poor. They are not getting equal opportunities like male. So, the status of women should be improved and they should also be treated equally like male in every society and in every aspect.

I never teach my pupils; I only attempt to provide the conditions in which they can learn. ~ ALBERT EINSTEIN
